Occasionally, individuals have one-time or infrequent financial transactions that may require them to file a Federal Income Tax return. If any of the following examples apply to you, then you may need to file taxes. Please go to <http://www.irs.gov> for more information.

- Did you have Federal taxes withheld from your pension and wages for this tax year and wish to get a refund back?
- Are you entitled to the Earned Income Tax Creditor did you receive Advance Earned Income Credit for this tax year?
- Were you self-employed with earnings of more than \$400.00?
- Did you sell your home?
- Will you owe any special tax on a qualified retirement plan (including an individual retirement account (IRA) or medical savings account (MSA) ? You may owe tax if you:
 - Received an early distribution from a qualified plan
 - Made excess contributions to your IRA or MSA
 - Were born before July 1, 1933, and you did not take the minimum required distribution from your qualified retirement plan.
 - Received a distribution in the excess of \$160,000 from a qualified retirement plan.
- Will you owe social security and Medicare tax on tips you did not report to your employer?
- Will you owe uncollected social security and Medicare or Railroad retirement (RRTA) tax on tips you reported to your employer?
- Will you be subject to Alternative Minimum Tax (AMT) ? (The tax law gives special treatment to some kinds of income and allows special deductions and credit for some kinds of expenses.)
- Will you owe recapture tax ?
- Are you a church employee with income in wages of \$108.28 or more from a church or qualified church-controlled organization that is exempt from employer social security or Medicare taxes?
